Subject: Public Records Request ID# 113

Dear Terry Brown:

As you know, the Washington State Gambling Commission (Commission) received your above referenced public records request. GMB last wrote to you about your request on October 9, 2019. This letter further responds to your request under RCW 42.56.520 and WAC 230-21. Please refer to the Request ID# identified above when contacting this office about your request.

You asked for copies of the following Commission records:

- Any and all records relating to the National Rifle Association (NRA) or the National Rifle Association Foundation (NRA Foundation) within the last five years.

The attached records are being provided in response to your request and have not been redacted or deleted (see attached documents, Bates numbered PRR\_113 Installment 3 – (GMB) 163-255, plus one audio file).

Due to current workloads, the number of other pending requests and the scope of your request, we estimate that on or about December 31, 2019, you may anticipate your next response from the Commission. Records will be produced in installments as appropriate.

If you have any questions, please contact me.

Sincerely,

*Kat Husted*, Public Records Officer
